## Authorised septic tanks

This is a list of septic tanks and holding tanks (collection wells) authorised in accordance with clause G1.4.4 of the *Tasmanian Plumbing Code*.

These septic tanks and collection wells have been deemed to satisfy the performance requirements of clause G1.4 of the *Tasmanian Plumbing Code* for use in water-borne systems including on-site waste water management systems.

**Standard Title:** AS/NZS 1546.1:2008 *On-site domestic wastewater treatment units Septic tanks*
